

With heartfelt gratitude do we dedicate this section, to the 2142 men and women of Milford whose heroic self-sacrifice has led to the triumph of the democratic cause.

A lasting peace and security will be earned as a result of their unswerving devotion and ceaseless efforts for the principles set forth in the United Nations Charter.

Through an unshaken determination and concerted action can we as peace-loving peoples succeed in creating a God given respect for the four freedoms.

Annual Report of the Board of Selectmen

The Board organized on March 6, 1945, Adam F. Diorio being elected Chairman, who with Patrick Carroll and John H. Henderson, were re-elected the day before.

At the request of the local post American Legion, the Honor Roll containing the names of those who served in the Armed Forces during World War II, was removed from its present location on the Town Hall grounds to General Draper Park. All of the names were repainted, the background was refinished and the board was repainted and strengthened.

The local Advisory Committee for Rehabilitation of Veterans of World War II continued its activities, its members being chosen by the John W. Powers Post American Legion, Lt. Robert C. Frascotti, Veterans of Foreign Wars, Italian World War Veterans, Canadian Legion and Spanish War Veterans.

The Committee appointed in 1943 to consider municipal post-war special works projects, has held several meetings and has received suggestions from various citizens. Plans and estimates have been prepared for the following projects:

1. Renovation of the interior of the Town Hall Building.
2. Completion of Rudolph J. Fino Athletic Field.
3. Retaining wall for Town Dump on Cedar Street.
4. Improvements to Hayward Street Playground.

5. Construction of unfinished sidewalks.
6. Drainage projects in several sections of the Town.
7. Roadside beautification.

Under Title V of the War Mobilization and Reconversion Act of 1944, the selectmen have filed applications for advance funds to meet the cost of preparing the plans for the Town Hall project. The selectmen were authorized to do this under Article 16 of the Annual Town Meeting held March 24, 1944. The application has to be approved by the State Emergency Finance Board before the Federal approval can be obtained, and the applications are still under consideration by both the Federal Works Agency and the State Board.

During the year the bonded indebtedness of the Town was reduced \$152,309.16.

Leases have been given Messrs. Johnson, Volpe and Gagnon of the Town Barn on Spruce Street for light manufacturing, to North Purchase Community Club, Inc. of the Purchase Street Schoolhouse and to Braggville Community Club, Inc. of the Braggville schoolhouse.

The report of the Zoning Board, adopted at the Special Town Meeting September 11, 1945, has been submitted to the Attorney General for approval accompanied by the various documents required, by the Town Counsel, and when such approval is obtained, the By-Laws and Regulations will be published in the Milford Daily News.

With the approval of the Finance Commission, a separate office handling applications for allowance for certain dependents of soldiers and sailors serving in World War II and applications by veterans or their dependents for Soldiers' Relief was established.

We are of the opinion that this action was a wise one as it has proved not only helpful to applicants in securing speedy consideration of their claims, but also to the Town.

Weekly meetings, with special meetings when required, have been held. Numerous conferences and consultations have been had relative to miscellaneous matters that required attention. Investigation of all complaints and inspection of premises have been made when necessary, and many hearings have been conducted in matters of which the Board has jurisdiction.

Respectfully Submitted,

ADAM F. DIORIO
PATRICK CARROLL
JOHN H. HENDERSON

December 31, 1945.

Report of Highway Surveyor

Herewith I submit my report as Highway Surveyor for the year ending December 31, 1945.

The severe snow and ice storms of January, February, November and December of the past year entailed an unusual heavy expenditure of money. It was necessary to request the Selectmen to call a Special Town Meeting on December 28th, to transfer the sum of \$10,500.00 from the Excess & Deficiency Account, to the Highway Department-Snow Removal Account. These storms have overtaxed the ability of the snow fighting equipment to the extent that most communities are endeavoring to secure new and better units. With funds that were made available at the Annual Town Meeting in March, the Highway Department has on order, a new Austin Western No. 99 Power Grader, to replace the one that has been in service since early in 1937. It is also intended to replace other units as soon as same are available.

Although the cost of all bituminous, and other road maintenance materials have increased in cost better than 50%, we were able to treat the surface of many of our bituminous surfaced streets, but were unable to improve the surface of any of our gravel surfaced roads.

Additional surface drainage was constructed on Central, John and Highland streets, and improvements made on several other surface drains.

Camp street was improved, and a bituminous surface constructed from Purchase street to Pine Island Road.

In conjunction with money allotted by the Town of Upton, State Department of Public Works, and County Commissioners, a new concrete deck and guard rails was built on the Fisk Mill Road Bridge.

In conclusion, I wish to thank the employees of the Department, all Town Officials, and Departments for their co-operation, and the Towns people for their patience and goodwill, during the year.

Respectfully submitted,

J. FRANK CAHILL,
Highway Surveyor

Town Accountant's Report

To the Honorable Board of Selectmen and the Voters of
Milford:

Herewith I submit my annual report of the financial transactions of the Town of Milford for the year ending December 31, 1945.

Included is a Detailed Report of the Receipts from all sources of Income, a Detailed Report of the Expenditures of each Department and Account, a Recapitulation and Estimate Table showing the Appropriation, Receipts and Transfers, Expenditures, and Balance December 31, 1945 and the estimated cost to run the various departments as submitted by them for the coming year.

Included also is the usual Balance Sheet, a table showing the Salaries paid Town Officers and also a Detailed Summary of the Net Funded or Fixed Debt of the Town.

I wish to thank all the Departments for their co-operation during the past year.

Respectfully submitted,

MICHAEL J. HANNIGAN,

Town Accountant

WELFARE PHYSICIAN'S REPORT

Again I wish to call your attention to the need of a real Infirmary equipped and staffed to render reasonable nursing and medical care to the indigent who are ill or incapacitated but not requiring hospitalization. It has become difficult to care for such cases at the Milford Hospital, which is really overcrowded with more acutely sick patients.

It is doubtful if such an institution can be operated at the low per capita cost of our present Infirmary, but it could be conducted economically with a Town Home under one management. Probably the cost would not be much greater than that of our present Infirmary plus that of the Welfare patients now being cared for by the Hospital at five dollars a day.

The subject is worthy of your consideration and some investigation.

During the year 1945 I have been called upon two hundred and thirty times to treat beneficiaries of the Department at their homes, in the Infirmary, and at my office. I gratefully acknowledge the helpful cooperation of the Board of Public Welfare, the Welfare Agent and office force, as well as the Superintendent and Matron of the Town Infirmary.

JOHN V. GALLAGHER, M.D.

Because of the new law effective January 1, 1946 increasing the exemptions of legally liable relatives of Old Age Assistance recipients, it becomes evident that expenses for the year 1946 will show considerable increase.

In conclusion we wish to express our thanks to the officials of our local banks, insurance companies, and industries for the valuable information that was given us upon request during the year.

Respectfully submitted,

JAMES DISABITO, Chairman

Report of the Board of Health

To the Honorable Board of Selectmen and the Citizens of the Town of Milford:

Your Board of Health respectfully submits its annual report together with the reports of its various appointees for the year ending December 31, 1945.

The Board of Health organized for the year on March 6, 1945. Dr. Nicholas J. Capece was re-elected Chairman with Harris Tredeau and Frank Calzone the other two members. Louis A. Marino was appointed secretary. Dr. Nicholas J. Capece was re-elected in March for a three year term.

Twenty-four regular meetings, ten special meetings and numerous conferences have been held throughout the year.

In the month of May a Clean-up Campaign was conducted with the co-operation of the Highway Department, the Board of Selectmen and the Milford Daily News with fairly good results. A more intensive campaign will be carried out in the future urging the entire community to cooperate in this work.

At the March meeting the Town voted to accept Section 120A, Chap. 94 as amended of the General Laws relative to an additional fee for slaughtering. This will permit an appreciable increase in revenue from the slaughtering of cattle, etc.

In June the Board received notice of the retirement of Dr. Francis H. Lally as Physician of the Board of Health. He had given approximately fifteen years of faithful service in this position. The Board expressed its appreciation for Dr. Lally's fine work during his association with the department. His resignation was regretfully accepted.

Dr. John R. Cicchetti was elected to fill the vacancy caused by Dr. Lally's retirement.

Early in the fall the Board projected a proposal relative to the planning and establishing of a bathing beach in the town. Communications were invited from interested citizens and organizations. The Board felt that it was about time that a clean, hygienic, safe bathing beach for the children should be established. Many favorable responses have been received. Plans are already in progress to have an Engineer from the State Department of Public Health look into the possibilities of establishing such a beach at some suitable location.

The garbage contracts were awarded for a period of one year after several attempts were made by the Board to secure the lowest bids possible. Although in excess of the previous contracts, the bids finally accepted were considerably less than the original bids offered.

The number of patients at the Worcester County Sanatorium has been considerably less the past year than in previous years due a great deal to the work conducted at the Consultation Chest Clinics, held regularly each month at the Health Department rooms under the supervision of Dr. Armand LaRoche and his staff from the Rutland State Sanatorium.

The 1944 State Subsidy received this year was Eight Hundred Ninety-six Dollars and Forty-three cents (896.43).

At the March meeting the following appointments were made by the Board of Health: Physician, Dr. Francis H. Lally; Dentist, Dr. William J. Clancy; Nurse, Alice Fitzpatrick; Sanitary Inspector, Walter Chapin; Plumbing Inspectors, Charles J. Ferrante and John F. Power as additional inspector; Burial Agent, Oscar Ayotte. Jeremiah Macchi and Dr. Benjamin F. Hartman were nominated for Meat and Slaughtering Inspectors subject to the approval of the State Department of Public Health.

REPORT OF BOARD OF HEALTH PHYSICIAN

During the school year, pupils of St. Mary's and Sacred Heart schools were given physical examinations. Parents were notified of any defects found and were asked to have them checked and corrected by their family physicians.

The incidence of childhood diseases showed a marked decrease over previous years.

Number of pupils vaccinated were 126.

Number of pupils given injections of diphtheria vaccine, 133.

JOHN R. CICCHETTI, M.D.

Physician to Health Board

REPORT OF THE BOARD OF HEALTH NURSE

To the Honorable Board of Health:

I hereby submit my report as Board of Health nurse for the year 1945.

PAROCHIAL SCHOOLS

St. Mary's and Sacred Heart:

Total enrollment of both schools 1,016

All pupils have their eyes and ears tested, during the school year.

All pupils had their hearing tested this year by the use of the Audiometer machine. Very few of the children had defective hearing.

All pupils are weighed and measured during the school year.

A physical examination was given to all pupils by Dr. Francis Lally, Board of Health Physician, during the school year. At this time notices of the defects are sent to the parents referring them to their family physician.

All pupils of the first four grades are given appointments to visit the school dentist Dr. Wm. Clancy if they wish to, and corrections of teeth made by him.

Miss Mary Kenny, Physiotherapist from the Worcester Public Health Office visited the schools and examined many of the children's feet, and gave them advice, and exercises, to correct their defects.

Appointments were made for the children with speech defects to visit with Miss Beatrice L. Smith, Speech Therapist, who is at the Worcester Clinic once a month.

REPORT OF THE PLUMBING INSPECTOR

To the Honorable Board of Health:

Gentlemen:

During the year of 1945 installations of plumbing, due to lack of materials, were not so numerous as in pre-war years. Critical shortages of brass, copper, tin, cast iron and steel made it necessary to either curtail or eliminate for the duration of these shortages, plumbing regulations with relation to certain types of installations.

I am still co-operating with the Milford Water Company relative to cross connections in our water supply and hope in the near future to have the officials meet this Board in regards to the installing of water piping by unlicensed men.

I expect a big increase in plumbing installations for 1946 and with the new materials which are expected to be available, the inhabitants of the Town of Milford will be assured of the best in plumbing installations to safeguard the health of the community.

John F. Power, additional inspector, and I have during the year inspected and approved the installation of the following fixtures.

Bath Tubs	18
Toilets	42
Lavatories	36
Boilers (Range)	20
Sinks	30
Urinals	5
Showers	1
Drinking Fountains	1
Total	153

Respectfully submitted,

CHARLES J. FERRANTE,
Inspector of Plumbing.

Report of the Park Commissioners

Year 1945

To the Citizens of the Town of Milford:

We hereby submit our annual report with financial report appended for the year 1945.

The four parks under our jurisdiction have been given the usual care this year. The Honor Roll for the members of the Armed Forces of World War II was moved to Draper Park at the direction of the Selectmen and the Park Commissioners' were given an added amount to put a flagstone walk leading to and from this Memorial and to place potted plants around it for Memorial Day. This park is in fine condition and it is honored to have this Memorial there.

The flagpole at Draper Park was also painted and all the trees were sprayed at this park.

It is a pleasure to say that one section of the bleachers at Town Park was rebuilt and we sincerely hope to rebuild the other three sections next year, so that permanent seating facilities will be at Town Park without danger of accidents from falling through.

The five tennis courts were resurfaced and repaired but lime being hard to get and the proper materials, the courts are in the best condition that we have get them at this time.

The playgrounds were capably directed this season by a very efficient director and her able assistants. A planned program was carried out and the playgrounds closed with the baby contest, doll carriage parade and game contests on Town Park.

It is the hope of the Board that new equipment for the playground will be available next year as it is needed badly for the children. The equipment now is old and worn and we do not want to have any accidents.

We wish to thank all who assisted us in any way this year to make it so successful.

Respectfully submitted,

CHRISTOPHER C. MORCONE, Chairman
FRANCIS J. WALLACE
WALTER J. FITZGERALD

Report of Inspector of Animals

To the Honorable Board of Selectmen:

The work of this department has been confined principally to checking up on western cattle brought here for slaughter. These average about three (3) carloads per week.

The usual number of dog bites have been investigated and the animals quarantined but no positive case of rabies has been discovered.

The good results coming from the public clinics for inoculation against rabies has been so clearly demonstrated that I feel justified in recommending a resumption of these clinics by the Board of Health. These clinics could well be held this spring.

Annual inspection of farm animals and quarters, discontinued during the gas rationing, has not yet been resumed but I anticipate a renewal of same in the coming year.

Respectfully submitted,

B. F. HARTMAN,
Inspector of Animals.

Report of the Inspector of Wires

January 7, 1945.

To The Honorable Board of Selectmen:

The work of the Wire Inspection Department for 1945 has been along lines similar to that of former years, much of it advisory and supervision of remodeling work.

There has been a moderate amount of new work. The neon electric signs have increased in number since last year.

A great improvement in fluorescent lighting installation has been noted. Most of the factories have installed new fluorescent lights, thereby making it more pleasant for the workers. The majority of the stores have rewired their places of business and have installed new fluorescent lights, making the buildings brighter and safer for all.

I wish to state in this report to the people of Milford that the law demands that all oil burners and stokers must be inspected by the Wire Inspector. For the safety of all, I urge such work is brought to my attention.

Respectfully submitted,

MATTHEW N. NIRO,
Inspector of Wires.

Report of the Tree Warden and Gypsy Moth Superintendent

I hereby submit my annual report on the care and removal of trees and brush.

During the past year I removed eleven trees that were beyond repair. This makes a total of seventy-four trees taken down since I have been in office. As yet, we have not planted any new trees, although I have recommended planting new trees year after year.

As I said in my report for last year, it was my thought that the trees be planted and dedicated as living memorials to our boys who gave their lives for our country. It has been done in some communities, and being done in others, and I do not see why we cannot do it and be among the leaders, instead of waiting until the last. In a speech by the late President Theodore Roosevelt on Arbor day 1907 he said, "A people without children would face a hopeless future; a country without trees is almost as hopeless; forests which are so used that they cannot renew themselves will soon vanish, and with them all their benefits."

Brush has been removed during the past year from the following streets and roads: Camp, Howard, Eben, Reservoir and Courtland Streets, also sections of Mt. Pleasant, Beaver, Highland, North Vine, Haven, Birch, Green and Brook Streets, Upper Congress and Silver Hill Rd. There was plenty more brush to cut, but the help situation was very bad this year, so I could not do all that was to be done.

In addition I have repaired and pruned two hundred and eight trees.

During the past year I have received and investigated over two hundred complaints on defoliation by gypsy moth in all sections of the town. In June when all the trees should have been in full leaf, the defoliation in most sections of the town was so complete that it reminded one of the middle of winter instead of spring and sum-

mer. It is a shame that enough money is not appropriated to combat this evil. Some day it will be too late, now is the time to do it. According to my observation this coming year will be as bad as last year if not worse. The conditions so far have been so favorable that I expect a ninety per cent hatch of the egg masses.

I hope that in 1946 we will be able to establish bounds and make some improvement on the town forest. I am under the impression that there will be some articles in the town warrant pertaining to improvements in the town forest.

Respectfully submitted,

MATHEW P. ANDREANO,
Tree Warden and Gypsy Moth Supt.

Annual Report of the Sewer Commission

To the Citizens of Milford:

The following report of the activities of the Sewer Department in connection with new construction and operation of the sewerage system during the year ending December 31, 1945 is respectfully submitted.

On July 10, 1945 proposals were received for construction of sewers in North Street Extension and Florence Street from the following contractors:

Robert Costa Co., Inc.	\$3,393.60
E. L. Sabatinilli & Son	3,704.35
Bayer & Mindolla Construction Co.	4,496.55
N. Cibotti & J. Andreassi	4,767.43
H. DiTullio	5,072.58

The contract was awarded to the lowest bidder, the Robert Costa Co., Inc. and the work was completed without incident, and record drawings and assessment schedules were prepared in accordance with the usual department practice.

Plans for the construction of sewers and a sewage ejector station for a section of Dilla Street were furnished by the Engineer, as a means of overcoming the pollution of Cedar Swamp Pond. This project was later not approved at a special Town Meeting. Plans and estimates of cost were also obtained for the sewerage of the East Street section, including the interceptor and sewers in Archer and Beach Street.

The treatment works have continued to operate satisfactorily.

Fourteen (14) house connections were laid during the year, making the total number of premises now connected to the sewer 2020. The total length of sewers is now twenty-six and nine-tenths (26.9) miles.

Report of Soldiers' Relief Agent

To the Board of Selectmen and Citizens:

The Selectmen last year, after conference with the Finance Commission and in consideration of the rapidly mounting increase in the Soldiers' Relief Department, appointed the undersigned as full-time Agent, to handle all matters pertaining to servicemen or their dependents. A new office was set up, divorcing all Soldiers' Relief matters from the office of the Town Clerk, thus giving applicants for assistance or advice the privacy to which they are entitled.

During the year this department checked 174 cases, divided as follows: Civil War, 1; Spanish War, 4; World War I, 24; World War II, 145. In every instance, including those on the list of recipients, and all applying for assistance, banks and factories were checked in an effort to locate other resources, and these investigations resulted in a saving to the town of a considerable amount of money which otherwise would have been expended on cases not legally qualified to receive assistance. The Veterans' Bureau in Boston and Washington were also carefully checked in connection with pensions, resulting in an additional saving of town funds. As an example of what careful investigation can do I wish to call your attention to the fact that in 1944 the total for all forms of Soldiers' Relief was \$25,583.48, while in 1945 the total was \$21,125.40—a saving of \$4,458.08 for the taxpayers. This saving was not achieved by niggardliness in the assistance of worthy cases, but was the result simply of weeding out applicants who had sufficient private resources to make them ineligible for town assistance.

With the ending of the war office work has more than double. Veterans come here for advice in regard to their insurance, G. I. loans, bonus blanks and assistance in filling out same and many other matters. Nearly 1000 local veterans are home from the war, and your Agent has made photostatic copies of the discharge papers of nearly all of them. I wish to assure all veterans and their dependents that they may feel free to call on me for any advice or assistance, and I will cheerfully co-operate with them in any problems with which they are confronted. I desire to thank the Selectmen, the Finance Committee, local banks and factories for their assistance during the past year. Herewith is appended the financial report of this department:

Town Counsel's Report

In 1945, 58 notices of tax taking of properties for unpaid real estate taxes were prepared at the request of the Tax Collector as compared with 65 in 1944, and 78 in 1943. No instruments of taking were prepared during 1945 as compared with 6 in 1944 and 15 in 1943. Two tax sales deeds were drawn for the Collector for non-payment of real estate taxes, which the Town bought in at the sale.

Redemption or disclaimer releases in 11 tax titles were drawn in 1945 as against 10 in 1944 and 6 in 1943.

Notice of 7 new claims for personal injuries or property damage against the Town were received in 1945 as compared with 5 in 1944. Six claims were settled without suit being brought. No suits for damages were filed in 1945. One case in the district court is pending. The case against the Town for damages for alleged breach of garbage contract was tried in the superior court and a finding was made in favor of the Town. A suit in the superior court for damage caused by blasting was settled without trial.

Four cases with Boston and Worcester, involving welfare aid, are still pending in the superior court.

Two petitions for mandamus were filed, one against the Board of Registrars of Voters and one against the Board of Health, in 1945. The case against the Board of Registrars was handled by independent counsel, the Town Counsel having a personal interest in a third party who was joined as the real defendant in the proceeding. This case was finally disposed of. The case against the Board of Health was heard by an Auditor, and was argued before the superior court on his report, where it is now waiting for decision.

Two bonds and mortgages were drawn and executed for old age assistance recipients, and 4 discharges were drawn and executed at the request of the Board of Public Welfare.

Numerous written opinions have been given to various Town Departments, with copies to other boards interested, deeds and leases covering Town conveyances, contracts between the Town and third parties, releases in all disposed of claims and the various documents necessary in submitting the Zoning Board's report to the Attorney General for approval, have been prepared and executed.

An itemized list of the cases which have been disposed of, with the location and date of the same, is appended hereto.

Respectfully submitted,

WILLIAM A. MURRAY,

December 31, 1945.

Town Counsel.

INCOME

Regular Contributions

Deductions are made weekly by the treasurer from members' salaries. A test check was made from departmental payrolls to determine that deductions were made at the statutory rate and the total weekly amounts were correctly posted to the cash book. Individual deductions were then checked from payrolls to the various members' cards. The total income for the year by groups was proved by listing the full amount credited to members' control cards.

Contributions from Town

The amounts paid into the system by the town for the accrued and normal liabilities of the pension accumulation fund were in accord with the figures furnished by this Department. An amount was also paid to cover expense requirements of the system and to take care of the guaranteed interest in excess of earned interest for the preceding year.

Interest

Income received from interest on bonds and deposits in savings banks was checked. It was noted that an excess amount was paid by the treasurer of the system on one issue of bonds which will be adjusted at a later date.

Special Fund for Military Service Credit

The amount shown under this caption was paid into the system by the town and represents the amount required for credits to members in military service.

Increase by Adjustment—Bonds

Included in bonds owned are some Series "F" United States Savings Bonds. The values of these bonds are specified on their face and the amount shown in this report is the excess of tabular value over cost.

DISBURSEMENTS

Pension Payments and Retirement Allowances

Payments made to retired members as pensions and retirement allowances were checked through the records and found to be in agreement with amounts approved by the Department. Applications for retirement were received from retired members.

Refunds

Several members withdrew from the system during the year and the amounts paid to them as returns of accumulated deductions and interest were checked to members' cards to determine that the correct amounts were paid. Applications for refunds were obtained in all cases.

Expenses

Vouchers for expenses and cancelled checks in payment of same were seen and checked to the records. All vouchers were signed by two members of the board. One item of expense was for bonds covering the chairman and secretary of the board. The treasurer of the town is the third member and is covered by his town treasurer's bond.

LEDGER ASSETS

Bonds

Bonds were counted at the safe deposit vault of a local bank in company with the treasurer who has sole access to the box. All bonds purchased since the date of the last examination were United States Savings Bonds and vouchers and cancelled checks were seen. The book value as of entry date was verified and the balance as of December 31, 1944 was proved by checking all transactions during the intervening period.

Cash

The cash balance on date of entry was verified by a reconciliation of the check book balance with the bank statement. The balance of this account as of December 31, 1944 was verified by tracing all cash entries during the intervening period. A certificate was also obtained from the depository.

Savings Deposits

Deposits in various savings banks were verified by obtaining certificates from the depositories and checking with the pass books. In addition to the savings deposits the system holds shares in a Federal Savings and Loan Association. The type of investment is not legal for retirement systems and the town accountant was so informed.

LIABILITIES

Annuity Savings Fund

The fund is credited annually with the amount of deductions taken from members' salaries together with statutory interest. Listings of members' balances were made, the totals of which agreed with the ledger balances by groups. Interest is credited annually to the fund. The amounts credited to members' cards were added for each

of the years since the last examination and the total was found to agree with the ledger figures. A test check was placed on various cards to determine that statutory interest had been credited.

Annuity Reserve Fund

The balance in this fund was created and is maintained by transfers from the annuity savings fund. In checking to see that all deductions and interest had been transferred to this fund, it was found that two members had been retired and the transfers were not made during 1944 but had been made in 1945 before date of entry of this examination. Annuities paid are charged to this fund and statutory interest is credited to it annually.

Pension Accumulation Fund

The pension accumulation fund balance has been verified from an accounting and examination standpoint. This fund as of the examination date consists of contributions made by the town on the basis of accrued and normal contributions determined by the Actuarial Division of this Department. The fund is used as an amortization basis for discharge of the liability created by crediting prior service. The present amounts contained in this fund represent the accrued portion of the liability on which the town has already paid contributions. Under the law, accumulations to this fund are provided for until the reserve is the equivalent of the present value of such service actuarially computed. This value will not be arrived at for some years to come.

The contributions made have been estimated on the basis of general experience with retirement funds until a complete actuarial valuation of the fund has been made as provided for in Section 31F, Chapter 32.

The reserves contained in this fund have not yet been established on a complete actuarial valuation. The law prescribes a period of three years in which accumulation and verification of the necessary data is made. When the necessary valuation functions have been determined, a complete valuation of this and the other funds will be available.

Expense Fund

Annual contributions are made by the town based on amounts requested by the board of retirement. The fund is charged annually with all expenses paid.

RECORDS

The record book containing the minutes of the meetings of the Retirement Board were read and found to contain the necessary votes and authorization for proper administration of the system.

GENERAL

The accounting and statistical records were found to be in good condition. The cash book and journal were checked completely for the entire year of 1944 and considerable test checking was done in the records of the other years since the last examination. Test checks of additions in the cash book and ledger were also made. All items in the annual statements for the three years were checked from the trial balance and ledger and found to be correctly reported.

The personnel of the Board of Retirement on December 31, 1944 was as follows:

THE COMMONWEALTH OF MASSACHUSETTS
Department of Corporations and Taxation
Division of Accounts

State House, Boston 33

April 10, 1945

To the Board of Selectmen

Mr. John H. Henderson, Chairman
Milford, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Milford for the period from February 20, 1944, to February 13, 1945, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,

Director of Accounts

TNW:MC

Mr. Theodore N. Waddell
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Milford for the period from February 20, 1944, the date of the previous examination, to February 13, 1945, and report thereon as follows:

The records of financial transactions of the several departments receiving or disbursing money for the town, or committing bills for collection, were examined, checked, and verified by comparison with the reports and the records in the town accountant's office.

The accountant's ledger was analyzed, the appropriation accounts being checked to the town meeting records of appropriations and transfers voted, and a balance sheet showing the financial condition of the town on February 13, 1945, was prepared and is appended to this report.

The books and accounts of the town treasurer were examined and checked. The cash book was footed and the recorded receipts were analyzed and checked with the records in the several departments collecting money for the town and with the other sources from which money was paid into the town treasury, while the payments were checked with the selectmen's warrants authorizing the treasurer to disburse town funds.

The cash on hand on February 13, 1945 was verified and the bank balances were reconciled with statements furnished by the banks of deposit.

The debt and interest payments were checked with the amounts falling due and with the cancelled securities on file.

The savings bank books and securities representing the investments of the cemetery perpetual care funds, the post-war rehabilitation fund, and the municipal contributory retirement funds were examined and listed, the income being proved and the withdrawals verified.

The tax title deeds on hands were listed and the amounts transferred to the tax title account were verified. Verification of the tax titles, as listed, was made by comparison with the records in the Registry of Deeds.

It is recommended that action be taken toward foreclosure of rights of redemption of all tax titles held over two years, as required by Section 50, Chapter 60, G. L.

The books and accounts of the tax collector were examined and checked. The tax accounts outstanding according to the previous examination, as well as all subsequent tax commitment lists, were audited and reconciled with the warrants of the assessors committing the taxes for collection. The payments to the treasurer were checked to the treasurer's and the accountant's books, the abatements as recorded were compared with the assessors' records of abatements granted, and the outstanding accounts were listed and reconciled with the accountant's ledger.

The outstanding taxes were verified by sending notices to a number of persons whose names appeared on the books as owing money to the town, and from the replies received it appears that the accounts, as listed, are correct.

The records of licenses and permits issued by the selectmen, town clerk, and the health department were examined and checked, and the payments to the State and the town were verified.

The surety bonds of the officials required by law to furnish them were examined and found to be in proper form.

In addition to the departments mentioned, the books and accounts of the sealer of weights and measures, and of the police, highway, public welfare, school, library, and cemetery departments were examined and checked, and the payments to the treasurer were verified.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the treasurer's and tax collector's cash, summaries of the tax and departmental accounts, as well as tables showing the condition and transactions of the trust, investment, and retirement funds.

Cooperation was received from all town officials during the progress of the audit, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

HERMAN B. DINE,

HBD:MC

Report of the Milford Town Library

REPORT OF THE LIBRARY TRUSTEES

The Trustees of the Milford Town Library submit the following report for the year 1945.

The year 1945 shows an increase of 4101 in circulation as compared with the year 1944, for which the Trustees and the Library Staff are pleased. With the ending of World War II and the return of the veterans, we feel that all Library activities will be greatly increased.

The Trustees and the Staff are happy to know that the Librarian, Captain Robert McGinnis did not suffer any injury during his long period of service.

To Lieutenant Colonel David Davoren, a former Trustee, still in service, again we extend our wishes for his safe and speedy return.

To S. K. 3c Frederick Cahill Jr. and Sgt. William O'Brien, former Trustees, we extend a hearty welcome at their return to civilian life.

At this time, thanks is expressed to all who have assisted in any way to improve the activities and facilities of the Library.

The Chairman of the Board of Trustees calls your attention to the Librarian's report which follows, describing in detail the activities of the year 1945, the facilities which the Library offers and the work done during the year.

Respectfully submitted,

FREDERICK H. GOULD,
Chairman of the Board of Trustees.

REPORT OF THE LIBRARIAN

To the Trustees of the Milford Town Library,

Gentlemen:

I submit the following report for the year ending December 31, 1945.

CIRCULATION

The Library was open 297 days, during which time 38,282 books were circulated. The figure shows a gain of 4,101 books loaned to borrowers.

The highest daily circulation was 281 and the lowest 16. The average daily circulation was 128.8.

There were 755 notices sent to delinquents. This applies to first notices.

The total registration as of December 31, 1945 was 4,964.

Approximately fifty magazines and a hundred posters and Government pamphlets were donated to the Library during the year. This year they have concerned both War and Post-War subjects and projects.

Veteran information is available at the Library and the Staff take pleasure in being of any assistance to the returning veteran.

BOOKS

The Library contains, per catalogue, 28,264 volumes. The number of books added to the Library during the year was 569.

There were 110 books rebound and again placed in circulation.

For conservation purposes names of donors of all books is being omitted but a record is maintained at the Library. Again thanks is expressed for these donations.

May the Trustees and Staff express their appreciation to the Press for all considerations given the Library during the past year.

At this time, may the Trustees and Staff express their appreciation for the exhibits of Miss Dorcas Whipple, Art Supervisor in the Milford Public Schools, for her cooperation and interest in the Library.

We were also very happy to exhibit posters done by members of the Quinshipaug Woman's Club.

NOTES

Mrs. Harriet A. Hunter retired November 1, 1945 after fourteen years service in the Milford Town Library. Mrs. Hunter's sudden death December 8, 1945, shocked the community and her former associates.

Mrs. Hunter was a conscientious worker, a member of the Universalist Church, and it is our hope that she may reap her just reward.

Mrs. Grace Rooney was appointed to succeed Mrs. Hunter. To Mrs. Rooney, the Librarian and Staff extend a welcome and trust she will enjoy her association with the Milford Town Library.

The Librarian at this time wishes to thank her assistants Miss Cecelia Wallace and Mrs. Alice Morgan for their co-operation, efficiency and pleasant association. To part-time help, the Librarian is grateful for their co-operation. Stacy School Branch Library has been discontinued since the opening of schools in September, 1945. This Library was opened from January, 1945 through June, 1945, during which time 4,481 books circulated. Miss Cecelia Wallace was in charge and had fine success in this work.

Mr. Paul Raftery, Principal of the Stacy School, suggested that the pupils be sent to the Library by classes and this has been done. It is hoped that access to the Main Library will help the students to become better acquainted with the activities and facilities of the Library.

National Book Week was observed by a display of posters, books and material pertaining to Book Week.

Posters, pamphlets and literature pertaining to Post-War problems are exhibited and may be obtained at the Library.

ANNUAL TOWN MEETING, MARCH 14, 1945

Commonwealth of Massachusetts

Worcester, ss

Milford, March 14, 1945

At a legal meeting of the inhabitants of the Town of Milford qualified by law to vote in Town Affairs held in Town Hall on the fourteenth day of March A.D. 1945, the said inhabitants proceeded as follows:

The Moderator called the meeting to order at 8 P.M. and requested the Monitors who served last year to have the vacancies filled in their precincts. This request was followed out and then the Monitors for 1945 were appointed by the Moderator: At Large, J. Frank Cahill, Precinct 1—John F. Maher, Precinct 2—Joseph L. DeLuca, Precinct 3—William E. Moore, Precinct 4—Alfred E. Daigle, and Precinct 5—Alfred P. Henderson. They were sworn in by the Moderator and the check was taken, 161 persons present, more than enough needed for a quorum, the Moderator opened the business meeting.

The Clerk read the Warrant and the officers return thereon.

Under Article 1 it was Voted: To hear and act upon all reports of Town Officers and Committees of said Town.

It was moved and seconded that the Town Report be accepted.

The following Resolutions were read at this time:

Resolved

The Town Meeting Members assembled have heard with deep regret of the passing of Judge Clifford A. Cook, presiding justice of the local District Court about 35 years.

Judge Cook served as Town Treasurer from 1889 until 1912 without opposition. He also served as Representative from this district in the General Court from 1888-89.

He was honest, sincere and possessed a thorough knowledge of the law. He was prudent, interested in the common welfare and was a firm believer that work to be done should be done well.

RESOLVED: That as a further mark of respect, business of the meeting be suspended and the voters stand with bowed heads as a silent tribute to his memory.

RESOLVED: That the Clerk be directed to send a copy of these Resolutions to the relatives of the deceased.

Voted: That the Resolutions be adopted.

JOHN H. HENDERSON
PATRICK CARROLL
ADAM F. DIORIO
CATHERINE L. COYNE

The assembly stood in silence in respect to the memory of Judge Cook.

It was moved and seconded to have the Resolutions accepted.

It was moved and seconded to have a committee appointed by the Moderator to draw up Resolutions for the late Joseph E. Broughey. The assembly stood in silence in respect to the memory of Joseph E. Broughey.

The Moderator called for a report of the Committee appointed by the Selectmen to present a set of rules for use at the Town Meetings. The Committee did not function and it was voted to dismiss this committee and have the Moderator appoint a committee.

Standing vote taken—78 in favor and 30 opposed.

Article 2. James E. Birmingham, Secretary of the Finance Committee presented the following report of the Finance Committee:

TO THE VOTERS OF MILFORD

The Finance Committee herewith submits their recommendation for the 1945 budget. Appropriations have been increased Forty-five thousand dollars due largely to the added expense of removing snow and a 100 per cent increase in Soldiers' Benefits. Inasmuch as we have not received the necessary figures from the State Tax Commissioner's Office we hesitate to estimate a tax rate. But if the figures are the same as last year the forty-five thousand dollar increase in the appropriation will mean a Three dollar jump in the tax rate.

Salaries and Wages accounts add up to Three hundred and fifty-two thousand dollars and this includes a one hundred and fifty dollar bonus for all full time employees of the town.

Article 1. To hear and act upon the reports of all Town Officers and Committees.

Article 2. To raise and appropriate money for Town expenses for 1945.

The meeting was called to order by Moderator Curran and the Monitors checked the lists. As there were 100 present and 119 needed to constitute a quorum, the meeting was adjourned for 15 minutes. Upon the completion of the second check there were 121 present and the Clerk read the Warrant and the Officer's Return thereon.

Article 1. Voted: That the Town vote to appropriate from the Excess and Deficiency Account the sum of Twenty-three thousand (\$23,000.00) dollars to the Old Age Assistance Account, under the jurisdiction of the Board of Public Welfare.

Voted: To pass over the remainder of the article.

Article 2. Voted: That the Town vote to appropriate from the Excess and Deficiency Account the sum of Five thousand (\$5,000.00) dollars to the Aid to Dependent Children Account under the jurisdiction of the Board of Public Welfare.

Voted: To pass over the remainder of the article.

Article 3. Voted: That the Town vote to appropriate from the Excess and Deficiency Account the sum of Three thousand six hundred (\$3,600.00) dollars to the General Relief Account, under the jurisdiction of the Board of Public Welfare.

Voted: To pass over the remainder of the article.

Article 4. A motion was made that the Town vote to accept the recommendations of the Zoning Board appointed by the Selectmen under Article 22 of the Annual Town Meeting of 1945 in accordance with G. L. (Ter. Ed.) Chapter 40, Sec. 25 to 30B inclusive for the purpose of originally establishing the boundaries of the districts and the regulations and restrictions to be enforced therein, and adopt such ordinances or by-laws with respect thereto as may be contained in said recommendations.

An amendment was made to the motion that a regulation and restriction be inserted under Article IV of the Map and Description of proposed zones to be established in the Town of Milford to read as follows: "That no additional licenses for Public Taxi Stands be issued by the licensing authorities other than those all ready granted and operating."

An amendment to the amendment was made to extend District A to Pearl Street on both sides of Main Street to include the existing depth of land on each property. Also, to include the opposite side of Main Street from Jefferson to Court Streets with and including the lot depth on each property. To extend District A to School Street from Pine Street on West Side to Memorial Hall.

The question was on the amendment to the amendment and the voice vote being doubted a standing vote was taken. There were 32 in favor and 44 opposed so the amendment to the amendment was lost.

The question then was on the amendment and amendment was lost.

The question was then on the motion. A standing vote was taken and it was Voted: That the Town vote to accept the recommendations of the Zoning Board appointed by the Selectmen under Article 22 of the Annual Town Meeting of 1945 in accordance with G. L. (Ter. Ed.) Chapter 40, Sec. 25 to 30B inclusive for the purpose of originally establishing the boundaries of the districts and the regulations and restrictions to be enforced therein, and adopt such ordinances or by-laws with respect thereto as may be contained in said recommendations.

Record vote—In favor—86; opposed—1.

Voted: To pass over the remainder of the article.

Article 5. Voted: That the Town vote to appropriate from available funds the sum of Twelve hundred twenty-seven dollars and forty-six (\$1,227.46) cents for the purpose of paying the balance due for repairing the Town Hall Tower, the money to come from the Excess and Deficiency Funds.

Voice vote was unanimous.

Voted: To pass over the remainder of the article.

Article 6. Voted: That the Town vote to appropriate from the Excess and Deficiency Funds the sum of Six hundred seventy-five (\$675.00) dollars to the Selectmen's Salary and Wages Account.

Voted: To pass over the remainder of the article.

Article 7. Voted: That the Town vote to appropriate from Excess and Deficiency Funds the sum of Five hundred ninety-four dollars and fifty-four (\$594.54) cents to the Election, Registration and Town Meeting Salary and Wages Account.

Voted: To pass over the remainder of the article.

Article 8. Voted: That the Town vote to appropriate from the Excess and Deficiency Funds the sum of Two thousand fifty (\$2,050.00) dollars to the account of Pay of Members in the Fire Department.

Voted: To pass over the remainder of the article.

Article 9. Voted: That the Town vote to authorize the Park Commissioners to legally name the Hayward Field Playground so-called, the "Pvt. John Tomaso" Playground.

Voted: To pass over the remainder of the article.

Article 10. A motion was made that the Town vote to authorize the Selectmen to legally name the Athletic Field located on Cedar Swamp Road Property the "Pvt. Rudolph J. Fino" Athletic Field.

An amendment was made to the motion that the Selectmen authorize the Cedar Swamp Athletic Field Committee to name the Athletic Field "Soldiers' Field."

The amendment was lost.

It was Voted: That the Town vote to authorize the Selectmen to legally name the Athletic Field located on Cedar Swamp Pond Property the "Pvt. Rudolph J. Fino" Athletic Field.

Voted: To pass over the remainder of the article.

Article 11. Voted: To pass over the remainder of the article.

Article 12. Voted: That the Town vote to appropriate from Excess & Deficiency Funds the sum of Two thousand (\$2,000.00) dollars for the purpose of repairing additional gutters, roof on vent and miscellaneous repairs to the exterior of the Town Hall.

Voted: To pass over the remainder of the article.

Article 13. Voted: That the Town vote to transfer the sum of Two hundred seventy-five (\$275.00) dollars from the interest appropriation to the salary and wages account, Treasury Department.

Voted: To pass over the remainder of the article.

Article 14. Voted: That the Town vote to appropriate from the Fire Damage Account of the Highway Department the sum of Four Hundred forty-three dollars and forty-two cents (\$443.42) that is to be paid the Town for Fire Damage to the Snow Loader, to the Snow Removal appropriation of the Highway Department.

Selectmen of Milford.

Result of State Census

Notice was received by the Selectmen from the Office of the Secretary of State that the State Census would be taken as of this year. The materials were furnished by the State but the Town had to assume all expense as far as the census taking and clerical work was concerned.

The Selectmen appointed Catherine L. Coyne, Clerk of the Selectmen to have supervision of the census and she appointed ten workers, two for each precinct to make the canvas.

The results were as follows:

Precinct 1 . 2967	Precinct 2 . 3292	Precinct 3 . 3114
Precinct 4 . 3513	Precinct 5 . 2925	Total 15,801

The final tally showed an increase of 434 persons.

All census cards were forwarded to the State Census Director.

Vital Statistics

Parents and others are requested to carefully examine the following lists and if any errors or omissions are discovered report them at once to the Town Clerk, that the record may be corrected, as it is of importance that the record of Vital Statistics should be complete. Herewith are extracts from the General Laws of Massachusetts Chapter 46.

Section 3. Every physician or hospital medical officer registered under Section nine of Chapter one hundred and twelve, in this chapter called officer, shall keep a record of the birth of every child in cases of which he was in charge, showing date and place of birth, the name, if any, of the child, its sex and color, the name, age, birthplace, occupation, and residence (including the street, number, if any, and the ward number, if in a city) of each parent, the maiden name of the mother, and the name of the physician or officer, if any, personally attending the birth. If the child is illegitimate, the name of and other facts relating to the father shall not be set forth except upon written request of both the father and mother. Said physician or officer shall within fifteen days after such birth, mail or deliver to the clerk or registrar of the town where such birth occurred, a report stating the facts herein above required to be shown on said record and also the said written request, if any; provided, that if said report is not so made within forty-eight hours after such birth, said physician or officer shall, within said forty-eight hours, mail or deliver to said clerk or registrar a notice stating the date and place of birth, the street number, if any, the ward number, if in a city, and the family name. Upon presentation to him of a certificate of the Town Clerk stating that any such birth has been duly reported, the Town Treasurer shall pay to such physician or officer a fee of twenty-five cents for each birth so reported. Any physician or any such officer violating any provision of this section shall forfeit not more than twenty-five dollars.

Section 4. A member or servant of a family in which a child is born, having knowledge of the fact required for record relative to such births, shall furnish the same upon request of the clerk of the town where such child was born or its parents reside, or of any person authorized by him. Such member or servant refusing to furnish such facts shall be punished by a fine of not exceeding ten dollars.

Section 6. Parents within forty days after the birth of a child, and every householder, within forty days after a birth in his house, shall cause notice thereof to be given to the clerk of the town where such child is born. Every householder in whose house a death occurs and the oldest next-of-kin of a deceased person in the town where the death occurs shall, within five days thereafter, cause notice thereof to be given to the board of health, or, if the selectmen constitute such board, to the town clerk.

The keeper, superintendent or person in charge of a workhouse, house of correction, prison, reformatory, hospital, almshouse or other institution, public or private, which receives inmates from within or without the limits of the town where it is located shall, when a person is received, obtain a record of all the facts which would be required for record in the event of the death of such person, and shall, on or before the fifth day of each month, give notice to the town clerk of every birth and death among the persons under his charge during the preceding month.

Blanks for returns of births and deaths may be obtained at the office of the town clerk.

Resolutions

IN MEMORIAM

WHEREAS, with the unfortunate death of Mary E. Naughton, a conscientious and faithful worker employed by the Town of Milford as its first full-time school nurse, the Milford Public Schools and the community as a whole have lost an efficient, capable, and loyal public servant, as well as an esteemed citizen, beloved and respected by all those with whom she came in contact in her professional and civic life; and

WHEREAS, by her death the Milford School Department has sustained a loss that leaves us with a feeling of sincere sorrow and deep appreciation for her noble efforts that contributed so magnanimously to the formation and successful conduct of a department that has proved itself to be so essential in our school system, and

WHEREAS, we bow submissively to God's holy decree and humbly commend her spirit to Him Who has summoned her to go forth from this world to be numbered with His elect in the fellowship of eternal beatitude:

THEREFORE,

Be it resolved that the School Committee of the Town of Milford, Massachusetts, acknowledges with deep regret the untimely passing of Mary E. Naughton and expresses to her family sincere sympathy on the occasion of her death; and

BE IT FURTHER RESOLVED

that a copy of these resolutions be inscribed upon our records and presented to her family.

Report of Superintendent of Schools

This is my fifth annual report. It is the sixty seventh annual report from a superintendent of schools.

During the year 1945 we saw the end of hostilities in two wars. The Germans surrendered on May eighth and the Japanese on September second. Since 1941 we have passed through four years of war and can now look hopefully to a quick return to normalcy.

As we enter on the road back to normal times, I think it might be appropriate to dwell briefly on the habits formed during school life. Habit is the result obtained by the constant repetition of some act, the nature of which depends completely on the kind of act. Good habits should be formed early in life. The habit of being on time requires the same amount of effort in its formation as that of always being late. The habit of study starts with the beginning of school life. If this habit of study is continued and cultivated in successive grades it will grow stronger and stronger. The child who studies his lessons each day will find that it is easier to do this work than to neglect to do it. We live by habit. School children must cultivate the habits of study, work, recreation, association with others, honesty and punctuality because each of these is essential to success and happiness in life. Take care of the habits formed daily and the habits of the years will take care of themselves. Wise habits, wherever and whenever formed will always be vital to success.

CHANGES

Miss Gertrude E. Wallace was transferred to take the principalship of the South Grammar School. Miss Wallace was formerly in the Stacy School.

Miss Rita Mawn was transferred from the South Grammar School to take over the opportunity class in the Stacy School.

Miss Veronica O'Neill was transferred from the South Grammar to the High School Pre-primary.

Miss Dorcas Magurn was transferred from the West Street School to take the Pre-primary in the Stacy School.

Miss Gertrude E. Moran was assigned to do remedial work in the grades.

RETURNED TO SERVICE

J. Gerard Sweeney following his discharge from the army returned in December.

Harry Anderson following his discharge from the navy returned in November.

ON LEAVE OF ABSENCE

Miss Mary Ranahan.

ADDITIONS TO THE SERVICE

Miss Mafalda DaSalvia was appointed to teach commercial in the High School in August.

Miss Edith Z. Rose was appointed to teach in the High School in August.

LEFT THE SERVICE

In September the school department was saddened by the loss by death, of Mrs. Mary E. Naughton as a school nurse. Mrs. Naughton was a member of this department for twenty four years. She was a tireless worker and most cooperative. It is our hope that her faithful service and will to do good will find for her the reward she has so well earned.

RETIRED

Miss Mary H. McDermott, principal at the South Grammar School, retired at the close of school in June. Miss McDermott leaves her work with the kindest wishes and good will of all with whom she has been associated. Since 1893 she has worked faithfully in our schools. The memory of a task well done will be her most cherished treasure in the years to come. We all join in wishing her many years of health and happiness.

RESIGNATIONS

We had four resignations during the year, three from the high school and one from the grades.

High School—

Miss Ida Kurlansky—To marry Mr. Irving Teed

Miss Evelyn Pinardi—To marry Mr. Samuel Ianzito

Miss Martha Molinari — To marry Mr. William P.
DiVitto

Grades—

Miss Esther Gagliardi—To marry Mr. Joseph P. Con-
tois

Closing I wish to extend my sincere thanks to all of the employees of the department and to the members of the School Committee for their help and cooperation.

Respectfully submitted,

FRANK C. BERRY

MILFORD HIGH SCHOOL

At the graduation exercises, held on June 13th, diplomas were awarded to 110 members of the Class of 1945; and to eight additional boys whose educational program was interrupted by the Armed Services, special war certificates were presented. In checking back, when we compare the size of this class with the all time high of 184 graduates in the Class of 1942, we then begin to fully realize the extent to which a world at war had brought about the curtailment of educational pursuit.

The Fall session opened September 5, 1945 with a total enrollment of 554 pupils. This compares with an opening day membership of 567 pupils for the previous year. In addition to this regular membership, practically every school day one or more returning veterans make contact here relative to a continuation of their respective educational programs. The G.I. Bill of Rights offers a most enticing inducement for the ex-service man to improve his educational status; and apparently our boys are exceedingly anxious to exercise these rights.

A new marking system, in which percentages have been discarded in favor of letters (A, B, C, D, etc.), has been approved by our local Committee, and its adoption went into effect this year. According to the most recent State survey at least 245 of the 259 high schools in Massachusetts have now discarded percentages in favor of letters on report cards to parents.

During the past year, as a result of School Committee action, the total number of points required for graduation has been increased from the traditional 72 to the State recommended total of 75 points.

Also during the course of the past year, we, of the faculty, have been successful in our endeavor to establish new scholarship funds. In most towns there are endowed funds established for the specific purpose of awarding scholarships to worthy high school graduates, who wish to further their respective educations at institutions of higher learning. Although this practice is carried out in our parochial school and in nearby towns. There has been, in the past, virtually a complete absence of civic minded individuals or organizations sufficiently interested to encourage such projects at Milford High School.

A \$500.00 scholarship award, which is to be presented to a member of the graduating class of 1946, has been made possible by setting aside the proceeds of our Annual Show for this benefit. The award will be based upon the results of competitive examinations, for which all members of the honor group are eligible.

A scholarship benefits at least one directly, and several others indirectly; because it serves the purpose of motivation, and focuses attention and importance on classroom achievement. On March 1st, the Rotary Club of Milford is to sponsor and present a special entertainment performance in the John C. Lynch Auditorium for an additional Milford High School scholarship fund. It is hoped that a sizable amount will be realized. To this civic organization for such a manifestation of community spirit, we are most grateful. These gestures constitute a stimuli in building up educational interest and determination on the part of our future citizens. Possibilities of attainment must be within their grasp if education, to them, is to seem vital and worthwhile.

In the field of extra-curricula activity, our Student Association continues to command great interest and enjoys much success in its wide range of promotion. Also the yearbook publication—the Oak, Lily, and Ivy—carries on in traditional fashion. It is definitely a morale builder for the establishment of school spirit.

As the world changes with time, so do the functions of the secondary school, which serves democracy. During the five year period in which I have had the privilege of serving as acting principal, I have endeavored to render cognizance to these changes; and have attempted to keep our school abreast of the times. To the members of our honorable School Committee and Superintendent, who have listened so patiently to my recommendations, and to my colleagues who have been most cooperative in working towards the successful establishment of new procedures, I express my appreciation.

Respectfully submitted,

JAMES A. HIGGISTON,
Acting Principal.

DIRECTOR OF GUIDANCE AND PLACEMENT

January 17, 1946

Mr. Frank C. Berry
Superintendent of Schools
Milford, Massachusetts

Dear Mr. Berry:

This report terminates the first full year of activity in this department. We have been cautiously feeling our way, pioneering in a field that is so essential in a progressive school system. The results have been satisfactory and encouraging. They are presented herewith:

Pupil Counseling

Individual conferences, along lines of educational or occupational guidance, are held daily. Pupils are sent to this office by Mr. Higgiston or the teachers, or they come of their own accord to receive help and advice in planning their course of study, in following recommendations for improvements in their lessons, in selecting a school or college after graduation from this school, or in searching for occupational information dealing with their expressed

interest. We devote most of the time between September and December to the freshman and senior classes, getting the former started on the right track and guiding the latter as safely toward "home" as we can. A special probationary list of freshmen was so carefully watched that most of them have improved in scholarship. We continue to counsel these groups throughout the year, but from January to April our attention is centered chiefly around the sophomores and juniors. The months of May and June are devoted exclusively to counseling the undergraduates who are in need of assistance in making out new courses of study or to the graduates-to-be who may not as yet have reached a conclusion relative to their future educational or occupational careers.

Because there is not a full-time Director of Guidance in our school (though the Massachusetts Department of Education recommends that there be one in schools having an enrollment of 500 pupils or over) and because of my classroom duties and responsibilities, I am unable to devote as much time to this phase of the program as I would like to. I believe that there should be a full-time director and that an adviser should be named from our faculty for each of the three lower classes so that he could be "on call" for at least one school period. If the former recommendation is not adopted, I strongly urge that the second one be given approval. This would result in a distinct benefit to our pupils.

Veteran Counseling

It is to be regretted that there is no central office in our town, to which a veteran may go for advice and assistance. I hope the time is not too far away when there will be a Veterans' Counselor in Milford. Limited in time and personnel though we are, we try to accommodate our own veteran-graduates as well as we can. Hardly a day goes by but that a veteran contacts us either personally, by phone, or through the mail relative to educational guidance. We do the best we can, and well we should, to help him avail himself of the educational advantages and opportunities of the G.I. Bill of Rights.

Testing

Although there has not yet been devised an accurate means of measuring one's intelligence, and perhaps never will, it is possible to arrive at a helpful index, as a result of scholastic aptitude tests. The pupil's achievement on such a test, however, can in no way be considered final; many other factors must be taken into consideration. Such tests, however, properly interpreted, are most valuable and absolutely essential to any guidance program. We now have for each pupil in our school a record of his achievement on a battery of "intelligence" tests administered either by the Boston University testing service or by our own faculty. As a result, the doctrine of individual differences is not forgotten.

Occupational Inventory

For each senior we have a record of one or three expressed interests in the field of occupations. This was made possible by the Fisher School of Boston, whose Director of Guidance, Mr. E. Newton Smith, administered and interpreted on January 9-11, free of charge, the "Kuder Preference Record". We are very grateful to the Fisher School, and to Mr. Smith for a valuable service from which we are profiting daily. The results of the tests are most helpful, especially to a pupil who doesn't really know just what he wants "to be."

Imparting Occupational and Educational Information

On the open shelves and in the files in our office the pupil finds available several catalogs, pamphlets, books, and monographs imparting information within his field of interest. He may also read further about the school or college of his choice. Our list grows larger daily. In addition to discovering the information in assigned reading matter, the pupil also learned more about occupations or about certain schools or colleges by attending lectures given here on topics related to occupational or educational fields. In time I hope that a course in "Everyday Occupations" will be added to our regular school curriculum.

This becomes more and more necessary, especially when we realize that there are 20,000 ways in more than 600 distinct vocations in which a person can earn his living. Pupils should become acquainted with as many of the major fields as he can so that after graduation his field of occupational interest is a broad one.

Follow-up

At this writing, Miss Lucy Dota, secretary of the class of 1945, is making a check on last year's graduates to determine how many have gone on to school, how many are in the armed services, how many are employed, and how we may be of further service to them. We hope in this way to keep in touch with our recent graduates so that they will not feel that our interest in them dies when they have been graduated.

Placement Service

We do not conduct an employment bureau at the school, but we do attempt to meet requirements of local firms or individuals who wish to employ one of our graduates or pupils on a full or part-time basis. An occupational preferment list has been established, eligibility being determined by necessary personal qualifications and achievement in school subjects, particularly those that might be necessary for a certain position. We have placed several of our pupils in jobs ranging from mothers' helpers to office assistants. Last year we asked permission of the managers of local department stores to affiliate ourselves with them during the Christmas period. We were very careful of our recommendations, usually naming only those pupils who were on our honor roll. So successful was the project that the managers came to us this year, requesting the same plan be followed.

Records

To date we do not have a satisfactory method of keeping a permanent record of our conferences and other information pertinent to counseling. It is my hope that before too long we shall have an improved personal record sheet for each pupil, giving a complete school history

from the first grade through to the day he leaves us. It is also my hope that a part-time clerk be assigned to attend to the many necessary clerical details that are becoming more numerous as time goes on.

Scholarships

We are happy to report that on the recommendation of this office a scholarship of \$500 to Boston University, College of Business Administration, and one of \$200 to Becker Junior College in Worcester, were awarded last June to Mr. Philip Lucier and to Miss Celia Pigalargi, respectively. Both are members of the class of 1945. It is our policy to recommend pupils for scholarships to schools that grant such financial inducements for superior achievement in high-school subjects.

I wish at this time to express thanks to the School Committee, to you, to Mr. Higgiston, to the commercial department, and to other members of our faculty for the full measure of cooperation they showed to this department during the past year. I wish also to thank Miss Juliette Ferreira, a member of the senior class in Office Practice, for valuable clerical assistance.

Respectfully submitted,

HAROLD M. MORAN,
Director of Guidance and Placement.

THE GEORGE E. STACY JUNIOR HIGH SCHOOL

Report of the Principal

January 7, 1946

The program at the Stacy Junior High School is established to prepare the students for entrance to High School. Every part of the curriculum is determined with this preparation as an immediate objective and to assist the students in the adolescent period of their school lives.

The past year Religious Education classes were inaugurated for students on an elective basis. The Milford Council of Protestant Churches conducting a one hour weekly program, the clergy of Sacred Heart of Jesus and of St. Mary's Church likewise sponsoring for members of those churches. The work has met with success and in the opinions of the sponsoring groups offers a solution for this type of training.

The Librarian and staff of the Milford Town Library have assisted in our school Library program and given every help to stimulate student use of this community facility.

A new History textbook, "The Building of Our Nation" by Barker, Commager and Webb, approved and adopted by the School Committee, increases the number of new and modern texts now provided for our students.

Miss Dorcas Magurn has been assigned to the pre-primary class now in the Stacy Building and this school unit operates with efficient and satisfactory results.

Our school Association organized in September and the following officers were elected: President, Louis Bertozzi; Vice President, Richard Innis; Secretary, Kenneth Hutchinson, and Treasurer, Attilio Giamarco. The Body sponsors student Assembly programs and activity.

I have enjoyed the cooperation of the teachers, supervisors, Mr. Berry, Superintendent of Schools, the Members of the School Committee and am appreciative to them for the help and kindness extended during the past year on so many occasions.

Respectfully submitted,

PAUL F. RAFTERY,
Principal.

DEPARTMENT OF PHYSICAL EDUCATION

The Milford High School baseball nine under the capable direction of Coach Vincent Dagnese, enjoyed fair success last season. A three game series with the rival St. Mary's team, which was witnessed with interest by many baseball fans, highlighted the season. The team's play and spirit reflected credit to the school throughout the year.

On the gridiron, again the Milford High eleven did credit to their Alma Mater. The feature of the football season was the smashing Thanksgiving Day victory over St. Mary's. Coach Reggie Brown worked hard to instill in his boys the fighting spirit which proved them a fine defensive team throughout the season. Their record showed three wins, one tie and five losses, the latter with close scores. Milford High has every reason to anticipate a promising and exciting season for the forthcoming year.

An organized intramural basketball league for boys and girls is now under-way at the high school. A league for the boys of the Stacy School has also been started. Physical exercise instruction for boys and girls in the public schools has begun after a lapse of three years with each school being visited once weekly.

CHARLES J. BRUCATO,
Physical Director.

REPORT OF THE ART DEPARTMENT

My annual report submitted at this time covers the period ending World War II and the beginning of peace. Our hopes and prayers are for a finer, brighter future. An appreciation of art will be needed in this new future; it will be needed in our homes, our communities and internationally. Through this appreciation of each others art, we shall be brought into closer harmony with the nations of the world.

High School

Enrollment in classes during the past has been somewhat disrupted by boys leaving school to enter the service of their country. A warm welcome awaits the ex-service-men, several of whom have already returned to classes.

Supplies have not been too easily obtainable during this war period and needed repairs have been postponed.

Ten entries were sent to the sectional Scholastic art contest and exhibit, held in March at the Jordan Marsh Co., Boston, Mass. Certificate awards went to William Mancini and Ernest Lucier. The highest award, a gold key, was won by Arthur P. Clarridge II whose drawing was later sent on to the national exhibit in Pittsburg, Pa. A design of his was also used for the Commencement cover.

Stacy School

A rearrangement of classes and time schedule on Wednesday now allows more supervised time to be given to these grades although the released time for religious instruction is also on this day.

All classes have cooperated in the work of the Junior Red Cross providing neat, attractive, woven-paper candy-baskets and place-cards for hospital trays.

As always I am grateful to the teachers who help make my work with them a pleasure.

Respectfully submitted,

DORCAS WHIPPLE,
Supervisor.

REPORT OF THE ART SUPERVISOR FOR THE ELEMENTARY GRADES

During the past year the children in the first six grades have shown a decided enthusiasm for art work. The results accomplished reveal an improvement each year in originality, color harmony, and proportion. Each room has an exhibition of the children's art achievements.

For February the boys and girls designed Valentines on V-Mail and sent them to relatives. Some classes contributed their art efforts to the Red Cross.

There is always a great satisfaction in realizing that the pupils in the Special Class derive great pleasure as well as pleasing results from each art lesson.

I appreciate the co-operation of the teachers during the year.

MARGARET CONDON.

REPORT OF THE SUPERVISOR OF MUSIC

I take pleasure in submitting my annual report to you.

Now that peace has been restored, the world can really enjoy the pleasure of song both within and without the classroom. Group singing brings as much, if not more satisfaction and pleasure than any other activity. It is not enough that our children should know how to sing but that they should know how to enjoy to sing.

The enthusiasm, the sense of well-being, the stimulation which can be created by these singing gatherings in our schools prove that music is a living thing and has an important function to perform in the life of the individual as well as in the group.

In all our music work we try to provide the opportunity for the entire student body to participate in songs that will make a strong appeal to the interests and normal moods of young people. Traditional songs, which occupy such an important place in the development of our country, songs of courage and heroism, songs for fun and recreation, carols, and hymns, songs of sentiment and aspiration all bring about loyalty, unity and optimism.

Much technical work in music is done in all the schools, thus showing individual progress. Each child is able to read notes by syllable, number or letter at the end of his eighth school year.

In addition to voice culture and technical work, a course in Theory and Harmony is taught in the high school, and exceptional results have been attained thus far. One of the members of the Theory class of 1945, Jean Strobeck, received a scholarship to the Conservatory of Music in Boston.

To instill in their minds an appreciation for music of high quality, our Theory and Harmony class will attend a performance of one of the operas in Boston, as in the past several years.

I wish to extend my sincere thanks to all the teachers and principals, to our Superintendent, Mr. Berry, and to the members of the School Committee for the co-operation which they have shown to me during the past year.

Respectfully submitted,

HELENA F. SWIFT,
Supervisor of Music.

INSTRUMENTAL MUSIC DEPARTMENT

During the past year the Milford High School Band played more engagements than any year since its institution. Besides playing at football games, they also participated in the following local patriotic parades: Memorial Day, Armistice Day, Elk's Flag Day and made a very creditable showing in the Victory Parade.

The Band also played Christmas carols to help cheer families on Christmas Eve.

The instrumental department in the Stacy School has its largest and most enthusiastic enrollment since its beginning.

Rehearsals are now in progress for the annual concert in May, 1946.

Respectfully submitted,

BEN C. LANCISI,
Instructor.

REPORT OF THE SUPERVISOR OF ATTENDANCE

To the Honorable School Committee:

World War II ended in 1945 and brought about many post-war problems. One of the most important of these is the proper adjustment of the school child to a peacetime life.

Your Supervisor of Attendance has handled over 90 cases of Truancy this year. About 75% of these revealed a lack of co-operation and understanding on the part of the home and others contributing to this condition. Truancy if neglected will eventually lead to delinquency. In the past when a youngster got into difficulty, he alone was thought to be responsible. The time has come when the parents and the community should be held responsible not only to their own conscience but to society. Juvenile delinquency does not occur until the adult first becomes delinquent. The increase in delinquency does not mean that all youth has failed, but rather the generation ahead has failed. The best way to correct our mistakes is for the entire community to take an interest and aid the youngster by removing the causes of delinquency. We need new respect for the parent, the law and the school.

More and better recreation is by no means a positive solution of our problem, but will go a long way in accomplishing our aim. If we do not provide an attractive program for the young people, they will not be swayed from frequenting undesirable places.

The ever existing question from the parent is, **"Where can I send my youngster for good wholesome recreation?"**

I firmly recommend that an addition of the hangar variety be annexed to the auditorium to take care of the need for expanding our recreational and physical education program. Now appears to be the right time to secure one as they are being discarded by the military forces. Hangars have proven to be inexpensive to erect and operate.

I wish to extend my grateful appreciation to all who have co-operated with this department and seek the help of everyone in the community in making better and stronger citizens.

Respectfully submitted,

ARTHUR E. VESPERI,
Supervisor of Attendance.

MILFORD TRADE SCHOOL

The Milford Trade School had a very successful year, in spite of the unrest and anxiety among the boys at the school, due to the War. This was particularly noticeable among the draft age boys.

These boys had to make rather difficult decisions:

1. Enlist, and get into the branch of service he wanted.
2. Wait until he was drafted and probably lose out on getting into the branch of service he wanted.
3. Leave school, get a job and make some money before he was called by the Draft Board.

During the year seven boys from the Trade School were taken into the Armed Forces.

In December the boys formed "The Junior Mechanics Club." They meet twice a month, to discuss some of the new developments in the mechanical field.

The "Open Night" at which time we display some of the work done by the boys, will be held at the Trade School in April.

I sincerely hope that more people in the community will take advantage of this opportunity to see some of the work the boys at the trade school are doing.

I want to take the opportunity at this time to thank the School Committee, Superintendent Berry and Principal Higgiston for their co-operation during the year.

JOHN H. BESOZZI.

CONTINUATION AND HOME ECONOMICS REPORT

All home economics classes of the Stacy and Continuation schools are now held in Room fifteen in the Stacy building.

The general home economics program for girls in the Stacy school includes sewing, cooking, hygiene and care of the sick. The Continuation class which meets once a week emphasizes this program plus academic work which is related to this home economics course.

We are pleased to report three excellent improvements in the classroom: a fan system for heating the room, an automatic water heater, and a white enamel sink. We feel these advancements will add to the efficiency of the work and also to the health and comfort of the pupils.

We wish to thank Mr. Berry and the members of the School Committee for their thoughtfulness.

Respectfully submitted,

BEATRICE J. FLEMING.

REPORT OF THE HEALTH DEPARTMENT

This year, as always, the health department has carried on its usual numerous duties in the interest of the general welfare of the school child.

Because of the war, the program was necessarily curtailed. However, with peace, and the trend toward normal conditions, we hope to have the various clinics, which we have been forced to do without, available to us in the near future.

In cooperation with the school doctors, dentist, teachers, and parents, and available clinics and agencies, we strive to create and maintain a high standard of healthful living, mentally, socially, and physically. May I take the liberty of quoting part of an article written by Dr. George Wallace, given to me by the late Mrs. Mary Naughton, former school nurse:

“The Child

“To inspect the child for evidence of communicable disease, to examine the child’s tonsils, or to weigh and measure him, is better than nothing at all, but no consideration of the child can be complete which does not include and recognize all parts of his body, his natural development, his emotional life, and his family background, and heritage, or in other words, a consideration of the child as a whole

Ask not only the question ‘Is the child well?’ but also, ‘Is he a well adjusted, happy child?’ ’

HELEN BREAUT, R.N.

School Nurse.

REPORT OF SCHOOL PHYSICIANS

January 2, 1946.

To the School Committee of Milford:

In explanation of the accompanying tabulations: The pupils counted as having no notable defects are those who show no glaring obvious defects in health or important variations from normal and they constitute 43% of the total number examined. Probably they are not all perfect. Those counted as having slight defects are those whose defects are not pressing for immediate correction or treatment; for instance first teeth which are beginning to show some sign of decay and are soon to be lost anyway, or tonsils which are on the border line of abnormal and should be observed further.

Those pupils counted as having serious defects are the ones who should be taken to the family doctor or dentist at once. They may have signs of malnutrition, poor posture, defective vision or hearing, anemia, heart or lung trouble, crooked or carious teeth. In these cases notices signed by the examining physician are sent home to the parents or guardian. It is assumed that the child will be taken to the doctor or dentist for appropriate treatment. Many of the defects are remediable but the benefits are likely to be greater if treatment is instituted promptly. Many of the parents are doing just that and it is most gratifying to the examiners to note the improvement which follows.

The tables show the findings of the general inspection which has just been completed.

Primary Department	Number of pupils,	721
No. having no notable defects		306—42%

OFFICERS

President: Mr. Harold M. Moran

Vice President: Miss Hannah E. Callanan

Secretary: Miss Gertrude E. Moran

Treasurer: Miss Rose A. Farese

Chairman, Executive Committee: Mr. James A. Higgiston

Chairman, Social Committee: Miss Mildred C. O'Brien

Chairman, Library Committee: Mr. Paul F. Raftery

Chairman, Publicity Committee: Miss Eva L. Burns

During this year of Victory and Peace for the United Nations, we were happy to welcome back to their former position Mr. Charles Brucato and Mr. Gerard Sweeney. We are looking forward to the return of our other members in the Armed Services.

Under the leadership of Mr. Harold M. Moran, together with the co-operation of the various committees, an excellent educational and social program was conducted as follows:

October: A business meeting.

November: A business meeting and an address, by Dr. Clemens Benda, famous child psychologist, on "The Abnormal Child."

December: A Christmas party, in charge of the Social Committee: Miss Mildred O'Brien, chairman, Misses Fleming, Scully, Curtin, Fitzpatrick, Whipple, R. Edwards, A. Lynch, M. Burns, and D. King.

January: A business meeting and an address by Mr. Clyde Casady, Executive Secretary of the Savings Bank Life Insurance Council, on "The IF In Thrift."

February: A Valentine Party, in charge of the Social Committee.

March: A business meeting and return engagement of Dr. Benda.

April: Open meeting.

May or June: "End-of-the-School-Year" Supper.

Donations were given to the Red Cross, and U.S.O. A Christmas Seal Health Bond was purchased. Our annual gift of books to the library was made as in previous years. On Memorial Day, flowers were placed on the graves of departed members. In the early part of December, a special committee consisting of Harold M. Moran, ex-officio, Miss Rose Bertorelli, Miss Maude Frost, and Miss Mary Gilmore, met with our school committee and discussed matters pertaining to teachers' salaries. All retired teachers were remembered at Christmas by the Committee appointed for the purpose: Miss Maude Frost, Chairman, Miss Viola Leland, and Miss Agnes Lynch.

We note with regret the deaths of Mrs. Agnes McManus and Miss Alice Ames, two of our retired teachers, and of our school nurse, Mrs. Mary Naughton. A delegation from the Association attended their funeral services. These three ladies were truly noble souls, whose high principles of character and years of faithful services to the Milford Public Schools will be long remembered.

Respectfully submitted,

GERTRUDE E. MORAN,

Secretary.

Time has come for us to leave you,
Dear old Milford High.
In this world now torn with strife,
Forty-five will try!
True nobility is virtue;
By this we'll abide.
Friends and teachers, we regret
Our bidding you goodbye.

War has summoned from our presence
Classmates loved so dear;
While they're gone, we carry on
And pray to God for cheer.
Though the clouds of war still threaten,
May the guns soon cease!
Faith and courage, Alma Mater,
Will bring us blessed Peace!
